

10/9/21 Exmoor Class

We have had a great first week back! The children have settled in really well with their new routines, and have really enjoyed being back together.

We have begun our topic learning; the North Devon Biosphere, and have created some really lovely front covers for our topic book.

We have also been getting used to our busy mornings of reading, writing and maths.

### **Information**

Our PE day is Friday, so please come to school dressed in your PE kit.

Next Thursday (16<sup>th</sup> September), we are holding a Roahl Dahl day in school. Please pay £1 via eduspot to come dressed as your favourite Roahl Dahl character - the money will be used to buy books in school.

### **Home Learning**

We are starting our reading challenge again - the information about it is in the back of your home learning books.

We expect you to read 4 times a week - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Remember - the class with the most children that read 4 times win the weekly competition! The class that wins the most in a half term get a treat!

Practise your times tables - you know which times table you need to work on!
