

## Home learning week 20

This week we have:

- Learnt the **ow** and **oi** digraphs in phonics and practised our tricky words
- Written invitations for the Teddy Bears Picnic on Thursday
- Made paper chain decorations
- Thought about the food and drink we would like at the picnic; written a list and drawn pictures
- Focussed on the number 11 in maths, looked at splitting it in different ways and finding 11 of something
- Had a lovely afternoon at the Teddy Bears Picnic with our parents 😊

**Home learning:** Visit the Oxford Owl website to access a range of eBooks for the half term <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page?login-error=true>

There will soon be a letter informing you about a sponsored reading challenge which will take place until World Book Day.

You can start working on this over half term.

**Reading: see flashcards and guided reading book enclosed.**

Share your guided reading book 4 times over the week and record in the table below (it only needs to be for 5 minutes each day):

Date	Title of book	Comment

Have a super half term! 😊
