

Barum Class - Home learning week 11

It has been lovely to speak to some of you this week about your children's progress 😊

This week we have:

- Enjoyed sharing our new text in English, *Outdoor Wonderland* by Josie Jeffery. It's a non-fiction book with ideas and activities for children to enjoy outdoors.
- In English we have been identifying different types of sentences; questions, statements and commands and learnt about imperative verbs and how they are used in commands.
- Made rain catchers following instructions from our new English text.
- Continued to learn the Tarantella dance (a traditional Italian dance).
- Worked on adding and subtracting 10's from 2-digit numbers in maths.
- Decorated our gift bags for the Christmas shop and written labels for them.
- In PHSE we talked about keeping safe and discussed what we need to keep ourselves safe from.

Home learning:

Use your new personal login for My Maths to access the home learning task that has been set. <https://www.mymaths.co.uk/> click the login button on the top right and enter **Username: tawton Password: power**

Then, enter your personal details (from the letter sent home) into the **portal username and password** box on the right handside of the screen.

Reading: your child has been given a **new reading book** to practise reading at home. Please return this by **Friday**, when books will be swapped.
