Friday 3rd February 2017

Dear Parents/carers,

Next week is Internet safety week, please help to keep your child safe on line by discussing this with them and exploring the links that we provide to you as a school.

'Schools will Rock You'

Years 4 and 5 had the opportunity to watch this amazing show at Park school on Tuesday. It was thoroughly enjoyed, despite the wet walk!

Netball

Very well done to our netball club who played a friendly and had fun at Landkey school this week. Thank you to the parents who helped to get them there and who suffered the wet weather in order to support them. We can't do these things without you!

Mrs Recycle

Codden class had fun learning about recycling this week with Mrs Recycle who came to visit. Hopefully they are helping you to look after the environment at home too!

Arts Project: **WANTED**

After half term we will be working on a whole school art project with local artist Di Murray. Groups of children will be working with Di to create some sculptures about recycling, reusing and looking after our wonderful world. We would be really grateful of donations of the following items to support this project: plastic bottles with tops, bottle tops and plastic containers in a range of different colours and sizes. Please could you ensure that any donated items are washed and encourage your friends and family to start collecting as we will need lots!
