

## Lundy Home Learning - 1/4/21

Dear Parents/carers,

This week we have written our final non-fiction narrative piece in English, which are brilliant! We've also explored the radius, diameter and circumference of circles as well as plotting coordinates and translating shapes. In PE, we use our orienteering skills that we learned a couple of weeks ago to create an Easter Egg hunt. Be sure to check out our [class blog](#) to see some pictures from this week.

Just to let you know when we come back we will be doing PE on **Friday**, so make sure you come to school in appropriate PE clothing!

I hope you have a wonderful Easter holiday.

Miss Rhoads

### Home learning:

#### **Reading**

Please continue to read as much as you can both to yourself and out loud to an adult, to practise your fluency and expression! You can also explore different books on Get Epic, don't forget I'll be able to see who has done the most reading.

Most of all, enjoy your Easter holiday; spending time with your family and hopefully making the most of the weather!
