

Home learning week 34

Thank you for the egg boxes and tubes, there is still time to send them in by Monday at the latest.

This week we have done lots of Pirate challenges in preparation for our Pirate Day on Tuesday 9th July. The children enjoyed their first sports day and it was so good to see them try their best and celebrate in their family groups!

Please can we have all guided reading books returned into school next week. I will be setting some reading challenges for the last couple of weeks of term, for you to keep over the summer.

Home learning

Pirate Day

To celebrate work that the children in Codden and Tarka have done in class about Pirates we will be having a Pirate Fun afternoon on Tuesday 9th July. During the afternoon the children will take part in a range of pirate activities such as walk the plank, a treasure hunt, pirate parachute games and a water relay! They will end the afternoon with a story and pirate cakes and biscuits that the children will make in class.

If your child would like to they may bring in some shorts and a t-shirt in a named carrier bag to wear for the afternoon; if your child has a pirate costume that they would like to wear then that is also fine but please, please don't buy anything especially for the day. We will be making all pirate props in class such as hats, eye patches, parrots and telescopes!

We are all looking forward to this fun and exciting afternoon!

Arts week - Weds 10th - Weds 17th July

During Arts week the children will be taking part in a range of messy and creative activities. Please could all children bring in some old clothes and a painting shirt (adults button up shirt worn back to front works well or an adult t shirt) to keep in school during the week in a named carrier bag. We will be using acrylic paint which doesn't wash off clothes so please ensure that these are clothes that can get messy! We would also be grateful of donations of newspapers to cover the tables.

Thank you for your support
