

Home Learning - Week 16

Welcome back to Tarka class This week we have

- In English we received a postcard asking where the penguin was and where he had been. We had to write a reply!
- In Maths we have been exploring number bonds to 20.
- In Geography we have considered changes between the seasons.
- In Science we have started an experiment about growing. We have 2 plants, one which we are watering and one which we are not. We are going to observe them to see what happens.
- In PE we have been balancing and mirroring a partner.

Notices

Please can you ensure your child has a full, named PE kit in school.

Home Learning

Remember to read any book at home to a grown up 4 times during the week.
Make sure the grown up signs your home learning book 4 times.

My Maths
