Friday 8th March 2019

Dear Parents/carers,

There have been lots of national focus weeks during the Spring term, we have already looked at Children's mental health and online safety, this week we thought more about books and reading and next week we have a combination of science week and comic relief! Thank you for all the support with these. We hope that all the money raised will really make a difference both to children worldwide and to our own in school.

World Book Day: The children had a wonderful day sharing stories, swapping books and enjoying hot chocolate to celebrate World Book Day. Thank you for your contributions and for supporting them with their sponsored read.

Sponsored Reading Challenge: If you haven't brought your sponsored reading challenge in to school don't worry you can bring it back next week. After this you will be able to collect their sponsor money and bring that into the school office clearly named.

Science Week: Next week is [National Science week](#); the children will be taking part in various scientific, technical and mathematical activities through out the week. The theme for 2019 is 'journeys' and more information can be found [here](#).

Comic Relief: a message from the school council:

Next week for [Comic Relief](#) we are holding cake sales throughout the week, every break time. So please could you bake some cakes and bring them into school to go in the cake sale? Cakes will be sold for 50p each and all proceeds will go to Comic Relief. They could have a red nose theme!

Also, on Friday 15th March, the children can come to school dressed in muddled up clothes (e.g. odd clothes or inside out clothes), they will need to bring in £1 for this, which will also be donated to Comic Relief.

Emails

Recently some people have experienced problems receiving emails from our 'families' account. Please check your spam/junk because most are heading into these folders. The newsletter can always be found on our website.

Parking safely and courteously: Please remember to make sure that you take care when parking and don't block the roads for other users or driveways. We don't want a child to be harmed before everyone takes notice. It may be safer to park further away and take a short walk.

Pre-School news

It will also help us to keep everyone informed of PTFA events and allow parents to become involved in specific activities and help out where they can, even if they can't make meetings. You can have a look at the site and sign up by going to the [Claslist website](#).
