

### Tarka Class - Home learning week ending 15<sup>th</sup> July

Thank you to those of you who found out the names of the continents ☺ In Geography, we have compared Brazil to the UK and learnt about physical and human features.

In maths, the children have used their reasoning skills to solve problems that have more than one answer. They enjoyed the challenge!

Miss Burnell taught the children how to design their own project and test it out on Scratch Junior.

In RE, Tarka class learnt the bible story of The Lost Son. They discussed the moral of the story: forgiveness. They thought about why this is an important part of being a Christian.

**Home learning:** For a bit of fun in our last week of term, we will be hosting  
*Tarka's Got Talent!*

Think of a talent/skill that you would like to share with the class and have a go at rehearsing your performance at home. This could be singing, dancing, acting, telling a story, drawing, telling a joke... anything you are proud of! You will have time to practice in class next week too! We will hold the talent show on Thursday afternoon ☺

Have a lovely sunny weekend! ☺
