

21/6/19

Week 33- Y1

Tarka Class

In Maths we have been solving word problems involving multiplication.

In English we have been changing the story of The Storm Whale.

We have made minibeast habitats and predicted what might use them. We have hidden them around school and recorded our findings.

In RE we have found out about the Jewish celebration of Hannukah.

### Reading

Read to an adult 4 times over the week

Date	Title of book	Whole book/ Number of pages

### Home learning

#### Pre learning for History work.

Find out about the holidays your parents, grandparents and even great grandparents went on when they were children. Where did they go? How did they travel there? What did they do on holiday?

Record your findings however you want to - drawings, sentences or in a table.

**If you have any old photographs or artefacts we could use in school, please bring them in to share.**
