

21st September 2021

Dear all,
Please find below some extra information about flute club.

I will be teaching it after school until 4pm on a Monday, there are limited spaces. The flute will be provided for you, for in school use only. For hygiene purposes, you will be allocated the same flute to use each week.

We are very lucky to have the flutes on loan from Babcock Music Service. As part of this loan agreement, we are not allowed to send the flutes home, so if you would like to come to flute club then you have to be prepared to practice for 10 minutes, twice a week at lunchtime. If you do not do this, then someone else will be given your place.

It is really important if you are learning a musical instrument, that you practice so that as a group, we can improve together.

Best wishes
Mrs Hughes
