

## 1 - 4 - 21 Exmoor Home Learning

Dear Parents / Carers

The children have completed some super writing this week. They have written their final diaries and a formal letter. They managed written about endangered animals of their choice and have done a super job! Some of their work is on our class blog - do take a look!

Our P.E day is on Tuesday on the first week back due to the playground being in use for bikeability at other times.

Y5's remember to wear your P.E kit still on Wednesday as you have Forest School.

Home Learning

Please read as much as you can over the holidays. Remember you can log onto *Getepic* to find some new books to enjoy. I will be able to see who has taken up this challenge!

As we will be revisiting multiplication, division and fractions after Easter, refresh your times table knowledge to be able to recall the facts as quickly as possible.

Have a lovely Easter Holiday and enjoy the Spring time
