

## Jam Jar tombola: Bishops Tawton Summer Fayre 2019

This year we are introducing a 'jam jar tombola' just for the kids. The idea is the same as the bottle tombola, you buy a ticket and see if you have won.

The prize?

A decorated Jam Jar that has been filled with exciting things for you to enjoy, for example mini craft materials, a puzzle to complete, mini toys cars, hair accessories, writing kit or lego figures to play with. **NO** sweets please

It can be as creative as you like as long as it is something that another child would like.

### How to make your Tombola Jam Jar

1. Empty and thoroughly clean out a used Jar, any shape but a reasonable size
2. Fill the Jar with things that another child will enjoy, make sure they are clean and in good condition
3. Put the lid on the jar and seal it
4. Decorate the outside of the Jar with ribbons, labels, stickers etc
5. Bring the jar to school by 1<sup>st</sup> July and hand to your teacher
