

18/9/20 - Saunton Home Learning

Dear Parents,

We have had a super second week back. For your information, we are currently not using Home learning books. The homework which we set will be linked to the learning going on in school. We are not having it in school due to the current situation. Thank you for your understanding with this.

Reading

Read to an adult 4 times over the week.

Find a story about an animal. Read the story and think about the role of the animal in the story. Did the animal cheer up somebody or get another character into trouble.....? Be ready to talk about your story next week in school.

Maths

Mymaths

www.mymaths.co.uk

Login: tawton

Password: power

Select **Number**, and then choose **Multiplication**. Then select any times table you need to practice. Play the games lots of times to get faster and faster at recalling your table facts.

Working Together

We have been introducing the learning power of 'Working Together' this week. Also we have been learning to do Macrame by working together. Teach your grown up how to do Macrame and work together on it; all you need is a stick and a bit of string. (There are simple instructions on the internet if you have forgotten).
