

## Home Learning - Week 31

This week we have been learning all about Pirates and have...

- Written a list of jobs to do on a pirate ship using all the sounds that we know.
- Investigated floating and sinking and the difference between fresh and salty water.
- Made a pirate hat that fits our head.
- Created pirate maps using tea stain and labelled them.
- Programmed a Beebot to find treasure using words such as forwards backwards, left, right, side to side.
- It was really lovely to see so many parents at our end of term Stay and Play the children loved showing you their work, the classroom and gardens.

### Home Learning Task:

Continue to gather together things to wear for your pirate day costume!

Practice reading words using all of the sounds you have learnt so far on this Pirate Phonics

Game: <https://www.phonicsplay.co.uk/resources/phase/4/buried-treasure>

We will be collecting reading books in next week, you may wish to access levelled reading books on the Oxford Owl Website during the holidays, to do this you will need to create a login for yourself but this is free. Select: All Levels, then select: Book Bands, then select books from bands Pink, Red or Yellow.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

You could also access the Phonics comics website and re-read the comics that we have read.

<https://phonicsplaycomics.co.uk/>

Don't forget the Library Summer Reading Challenge!!!

<https://summerreadingchallenge.org.uk/>

Please could all children bring in an old sock and a plastic 500 ml bottle on Monday (We are going to attempt to make the longest sock bubbles!!!)

**Pirate Day Advance notice!** Don't forget it's Pirate day on Monday 18<sup>th</sup>! Come to school dressed as a pirate!!! (There will be no PE on this day)

We hope you have a lovely weekend,

Mrs Clark, Mrs Paul and Cheryl.
