Friday 24th February 2017

Dear Parents/carers,

I hope you had a restful half term and have been able to enjoy the milder weather. This week we welcome Evie to Codden class, Taya to Tarka and Brinley to Exmoor. They have settled in really well and we hope they enjoy their time with us.

Netball

Very well done to our Yr 5/6 netball team who came 5th in the finals of the North Devon High Five Netball Tournament competition this week!

Arts Project: **STILL WANTED!**

We are really excited to start work on a whole school art project with local artist Di Murray. Groups of children will be working with Di to create some sculptures about recycling, reusing and looking after our wonderful world. We are in desperate need of plastic bottle tops in a range of different colours and sizes. We challenge each child to bring in 10 bottle tops by the end of next week, ask your friends, family and everyone you know to start collecting for us in order for this project to take place. Thank you for your support.

Book Week

Next week is book week, across the school we will be celebrating and enjoying books in many ways. On Thursday the children are invited to bring a good quality book to swap, they will also enjoy a cake and drink. Please donate cakes for this day. On Friday they are invited to dress up as their favourite character from a book. Any donations will go to 'Book Aid'.

Parent View

The governors would like to know what you think about our school. Please take a moment to log in to parent view and complete the short questionnaire. If you have done this for previous academic years your login details will be the same. All you need is your email address to register.
