

Harvest festival

Unfortunately, due to the current guidelines that the church is following we are unable to invite parents along. The children will still go to church as planned and our school staff will accompany them.

We are sorry to be unable to include parents on this occasion but we have arranged a harvest sing for you at school.

If you would like to donate either dried goods or as last year a monetary donation via [eduspot](#) shop tab then we will share equally with the Freedom Centre and the Food bank. Please see [the Food Bank's website](#) for their current suggested items.

Weather permitting, parents are invited to come onto the top playground to listen to the

Harvest songs on the following dates:

Tuesday 5th October - KS2 Harvest songs 2.45pm on the top playground

Wednesday 6th October - EY&KS1 Harvest songs 2.45pm on the bottom playground

(Please do not record the children during this as not all children have permission to be videoed).
