Friday 22<sup>th</sup> July 2016

Dear Parents/carers,

This week we say goodbye to our year 6 group. They presented their memories with a fashion show, powerpoint, guitar quartet and song written and played by themselves. We wish them all the very best of luck for the future and hope to see them again very soon. We are really proud of all that they have achieved during their time here.

We also bid farewell to Mr Badham Doyle (Mark) The children have loved working with him during the year, we wish him the very best of luck as he ventures into a teaching career!

### School Council Open afternoon

We are proud of our school council who organised the open afternoon last Friday themselves including planning and setting up the stalls. They raise £290 which is amazing! This will pay for Edrine to attend school for another year and there will also be enough to fund a Christmas present for him. Thank you for your contributions. See the message below from Amigos:

Thank you for your continued commitment and support for this precious boy:  
you are changing his world.

Blessings

Michaela'

### **BIG CLEAN UP: last Sunday...**

I would like to say a **HUGE** thank you to the families that came along on Sunday to help with the clean up, they cut, cleared, swept, trimmed, mowed, weeded and planted all across the school. I hope you noticed the difference that this made. Steve and I are very grateful that you could put a few hours of your weekend towards this.

### **Sports Day**

We finally completed our Sports events on the hottest day of the year! Very well done to Lundy family group who won overall with 1341 points! Thank you to the PTFA for the much needed ice poles and medals for all of the children.

### Taw Velo News

Families Pullen and Batchelor travelled down to Woodbury Common near Exmouth on Sunday so that Amy and Josh could compete in the 5th, and final, round of the South West Cross Country Mountain Bike series. This is a series of competitive mountain bike races that has taken place throughout the South West over the last few months in which youths from cycling clubs all race against each other. They both did extremely well - their hard work, determination and skill (not to mention way too many early Sunday mornings!!) was rewarded in the overall series results, with Josh coming 3rd in the overall series placings for the under 12 boys and Amy coming 1st for the under 12 girls.

We're all really proud of them and feel it's an excellent way to finish of the academic year! Andy and Jane Batchelor
