Friday 3rd March 2017

Dear Parents/carers,

It has been a busy and fun packed book week resulting in a school full of book characters today! There are some amazing wooden spoon characters around the school, please take some time to have a look. The children spent the afternoon with their family group yesterday, swapping books and eating cakes. There was a book quiz for all the children and a small group went to the annual library school quiz. I hope the children enjoy spending their vouchers at the weekend! Have a look in galleries on our website at the great fun we have had. <http://www.bishopstawton-primary.devon.sch.uk/web>

Volley ball

Sixteen children had the opportunity on Wednesday to go to a volleyball workshop led by Denise Austin (GBR Coach.) They met an Olympic physio and a professional volleyball player. They also took part in profile testing with the Volleyball England Talent Team. They had a great time and their behaviour was outstanding.

Sickness Policy

It can be upsetting when children seem fine but are unable to attend school due to sickness but please note if your child has been unwell at home with sickness and/or diarrhoea please keep your child off school for a minimum of 48 hours following the last episode of illness.

If your child is sick and/or has diarrhoea at school we will contact you to collect your child as soon as possible. Your child should then remain off school for a minimum 48 hour period following the last episode of illness. When your child returns to school we do ask that they are well enough to be eating their normal diet.

Eye/skins infections should be treated and cleared before returning back to school. Thank you.
