

14-1-2022

This week the children have written their own poem about the life of a vet. We have continued to explore the relationship between multiplication and division and in art we have looked at a range of light and space themed picture by the artist Peter Thorpe.

Homelearning:

Reading

Our reading percentage was very low the first week of term. Let's see if we can get about 75% this week!

We expect you to read 4 times a week - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Recommend a book

Make a copy of the front cover of your favourite book. You can use any type of materials to do this. Then, write inside a speech bubble about how the book makes you feel and why you would recommend this book to other people. For example:

Mrs Hughes says

This book made me feel excited because I couldn't wait to find out if the children survived. I would recommend this book because it is about the Amazon Rainforest and I learnt about the animals that live there.
