

11th October - Y2

Home Learning

Reading

Read to an adult 4 times over the week and record in the table in your purple home learning book – each week more of you are reading 4 times so let's try to win this week and get everybody doing their reading!

Art and Science

Create your own minibeast – think about what it looks like and what it is called. Draw a picture of it and label it's body e.g. legs, eyes

Write 2 or 3 sentences about what your minibeast likes to eat and where it likes to live – what is its habitat? Tell me how it shelters from other animals that want to eat it?

I can't wait to learn all about your minibeast!
