

Bishops Tawton Primary School Newsletter

<http://www.bishopstawton-primary.devon.sch.uk/>

Friday 10th February 2017

Dear Parents/carers,

It is hard to believe that we have reached half term already! The children have had a busy half term exploring their topics and are looking forward to further trips and visitors next term.

Netball

Yesterday 8 of our children went to Pilton School for a High 5 netball tournament, they all played really well and came second! They will now go forward to play in the North Devon finals after half term. As well as their netball playing their behaviour was outstanding also. Well done and we'll look forward to the finals.

Hockey

Two teams went to Park School for a Quicksticks hockey tournament on Wednesday. Both of our teams played extremely well and came in the top ten, one team came 4th and the other team came 9th. Thank you once again to all the parents who transported and supported our children for both events.

Internet Safety Week

The children have been learning about staying safe online and hopefully they will be able to tell you something about how to stay safe online at home. Please look at our website for more [information](#).

Arts Project: WANTED

After half term we will be working on a whole school art project with local artist Di Murray. Groups of children will be working with Di to create some sculptures about recycling, reusing and looking after our wonderful world. We would be really grateful of donations of the following items to support this project: plastic bottles with tops, bottle tops and plastic containers in a range of different colours and sizes. Please could you ensure that any donated items are washed and encourage your friends and family to start collecting as we will need lots!

PTFA

Thank you to everyone who helped to organised tonight's BIG Sheep night...we look forward to more events next term including Quiz Night!
