Y4 Week 16 Home Learning

Maths:

We are revisiting place value to ensure we have fully mastered our understanding of what each digit represents and how larger numbers are constructed.

Task:

Mymaths

Y4 → Number → Place value → Working with thousands

Art:

We have been doing observational drawings of flowers and plants this week. Continue to develop your skills at home and bring in a completed drawing of a plant or flower.

Reading:

Don't forget to read 4 times a week and make sure you ask your parents/carers to sign you home learning book!
