Friday 14th June 2019

Dear Parents/carers,

Welcome back to the second half of summer term, I hope you enjoyed the longer spring break. There are lots of events and activities planned for the next few weeks that we hope you will enjoy.

Well done to Mrs Hughes who completed the Jurassic Coast Challenge last weekend in a brilliant time of 25:11:34! Starting close to Poole harbour the Full 100km challenge is a real challenge with over 2,650m of ascent (the equivalent of 2.5 climbs of Mt. Snowdon.) Mrs Hughes completed this challenge in aid of the Make a wish Foundation and her sponsor page can be found here [Just Giving](#)

Pre-school news

This week we have been thinking about our Dads. We have been reading the story 'My Dad' and talking about what we love about our Dads. We have made Father's Day gifts. We hope you like them.

Our topic for the rest of term is Water.

Please do not send juice in to preschool. From next week we will be replacing it with water.

We have milk and water on offer throughout the day to drink. Thank you.

Class Groups 2019: You will find out which class your child is in on the week beginning 24th June via a slip given to your child. Please consider this information as personal to you; you will be able to meet with existing and new teachers to discuss your child on 28th June.

Parking: Unfortunately some parents are choosing to park on the pavement opposite school, this has meant that parents with pushchairs have had to walk into the road.

PLEASE park safely.

With very best wishes
Melanie Smallwood
