Pirate Day

To celebrate work that the children in Tarka and Codden have done in class about Pirates we will be having a Pirate Fun Afternoon on Tuesday 9th July. During the afternoon the children will take part in a range of pirate activities such as walk the plank, a treasure hunt, pirate parachute games and a water relay! They will end the afternoon with a story and pirate cakes and biscuits that the children will make in class.

If your child would like to they may bring in some shorts and a t-shirt in a named carrier bag to wear for the afternoon; if your child has a pirate costume that they would like to wear then that is also fine but please, please don't buy anything especially for the day. We will be making all pirate props in class such as hats, eye patches, parrots and telescopes!

We are all looking forward to this fun and exciting afternoon!
