

24/1/20 - Y2

Home Learning

Reading

Read to an adult 4 times over the week and record in the table in your purple home learning book – we won last week as more of you are reading 4 times. So let's win again this week by everybody doing their reading!

Maths

Mymaths

www.mymaths.co.uk

Login: tawton

Password: power

Select **Number**, and then choose **Multiplication**. Then select Y2 **5 times table**. Complete the lessons. Play the games lots of times to get faster and faster at re-calling your table facts. Remember you only really 'know them' if you don't have to count in 5's to work them out!

Internet Safety

Talk to your parents about how to keep safe on the internet. Ask them what they do to keep safe.

Think back to the story we read in class [Digiduck's Famous Friend](#) then try and write a description about yourself without giving any personal information. We will then share them together next Thursday afternoon.
