

28/6/19

Week 34 - Y1

Tarka Class

In Maths we have been revising division.

In English we have made posters about plastic pollution and written a letter to Tesco's asking them to reduce their plastic use.

We have been comparing holidays in the past to holidays today.

In Music we have been listening to music based on a Stormy Sea. We have made patterns and marks to represent what we have heard and compared each other's work.

We had a lovely time in Barrow Class.

Reading

Read to an adult 4 times over the week - record it in your purple book.

Date	Title of book	Whole book/ Number of pages

Two Week Project

Find out about rockpools - look online, in a book or visit the beach!

What lives in them? What else might you find in one?

Create a model of a rockpool (maybe in a shoebox) or draw and label a picture of a rockpool.
