

Y5 Weekly overview - Week 14

This week in:

English – We have read The cat in the manger, the Christmas story from the view point of a cat. We are planning to retell this from the viewpoint of the donkey that carried Mary to Bethlehem.

Maths – Shape has been our focus this week. We have explored different types of angles (right angles, acute, obtuse and reflex angles) and ordered them from smallest to largest.

Christmas activities - The children had fun in their family groups visiting the Christmas shop. We have been busy learning the words to our Christingle songs ready for next Tuesday evening. We hope you can join us for the celebration!

Home learning:

Keep practising the words for 'O little town of Bethlehem' in preparation for Tuesday night.

Continuing our theme of 'thinking of others' complete 5 different acts of kindness and be ready to share these with your class next week.

Remember to read regularly over the next week.
