

Taw - Week 11

This week we have been exploring ice.

Our word of the week is **Frozen**. We had a discussion about what this means. There were some great ideas "Elsa makes ice." "I think of Christmas"

We had a lovely surprise at the end of the week with a visit from Jack Frost! The children loved exploring the ice outside.

This week have been:

- Painting Christmas stockings to display outside of school to join in with the village display.
- Dressing up as Elsa and Anna and role playing.
- Dancing to the soundtrack of Frozen and thinking about moving with the music.

Please ensure your child brings a spare change of clothes for every day that they are in pre-school.

Christmas parties: Due to the current situation we are unable to have all of the children in together for the Christmas parties. We have decided to hold a mini party for each day the children are in during the last week of term.

Festive Fridays are every Friday in December. If your child is not in preschool on a Friday then they can wear their festive clothing on any day that they are in.

Have a good weekend.

Stay safe.

Natalee, Kim, Marianna, Ailey, Mollie and Shannon.
