

Home Learning - Week 24

This week we have

- In English we have been changing the story of Jack and the Beanstalk. Ask your child to tell you the new story about a dad and his daughter Clara. Who was at the top of the beanstalk?
- In Maths we have been measuring capacity using non-standard and standard measures.
- In Art we have been continuing our paintings in the style of Yvonne Coomber.
- For Science week we have been exploring plants and where they came from. Pam from Tesco's came to visit and shared lots of information. We have used plants to dye fabric and to print onto fabric and we have grown more seeds for our Garden Centre.

Home Learning

Remember to read any book at home to a grown up 4 times during the week.
Make sure the grown up signs your home learning book 4 times.

Measurement

Measurement

Y1 Comparing Capacity

Lesson

Can you find a container that holds 1 litre and one that holds $\frac{1}{2}$ a litre? Draw them and label them.

Diary Dates to note:

KS1 Garden Centre open afternoon Wednesday 25th March - come and see all the lovely things we have been up to this term. You will be able to purchase products we have grown and made.
