

Home Learning - Week 18

This week we have

- In English we have changed the story of Lost and Found from a story about a boy and a Penguin to a girl and a lion.
- In Maths we have been using a number line to calculate missing number problems.
- In Science we have continued to learn about what plants need to grow.
- In PE we have been throwing and catching whilst balancing.

Notices

Please can you ensure your child has a full, named PE kit in school.

Home Learning

Remember to read any book at home to a grown up 4 times during the week.
Make sure the grown up signs your home learning book 4 times.

ICT - Computing

Look around your home. How many different ways can you access the internet at home?
Record all the different ways in a list or labelled pictures. Talk to your family about other ways to access the internet as well.

On a computer practise typing:

Tarka

Bishops Tawton

Your name
