Park safely...

Friday 13th January 2017

Dear Parents/carers,

The children have been exploring Growth Mindset this week and have been applying this to their learning. Well done to those who have achieved the Growth Mindset award this week. It is their job to notice a class mate next week and nominate them for the award, they will also need to explain why they were chosen. Good luck! You will receive information for parents this week so that you can help to support your child at home.

School Uniform

There are still some children who are not wearing suitable school shoes. Please take the time to ensure your child has the correct school uniform, If this is difficult for you it is important that you let us know.
