

05/7/19

Week 35 - Y1

Tarka Class

In Maths we have been looking at partitioning two-digit numbers into tens and units and showing this using dienes.

In English we have looking at pirate books and have written a character description of a pirate and made pirate wanted posters.

In Music we have been making up symbols to represent different sounds to make our own 'stormy sea' music composition.

Pirate Day

To celebrate work that the children in Tarka and Codden have done in class about Pirates we will be having a Pirate Fun Afternoon on Tuesday 9th July. During the afternoon the children will take part in a range of pirate activities such as walk the plank, a treasure hunt, pirate parachute games and a water relay! They will end the afternoon with a story and pirate cakes and biscuits that the children will make in class.

If your child would like to they may bring in some shorts and a t-shirt in a named carrier bag to wear for the afternoon; if your child has a pirate costume that they would like to wear then that is also fine but please, please don't buy anything especially for the day. We will be making all pirate props in class such as hats, eye patches, parrots and telescopes!

We are all looking forward to this fun and exciting afternoon!

Reading

Read to an adult 4 times over the week - record it in your purple book.

Date	Title of book	Whole book/ Number of pages

Home learning

Two Week Project - week 2

Continue with your rock pool project.

Arts week – Weds 10th – Weds 17th July

During Arts week the children will be taking part in a range of messy and creative activities. Please could all children bring in some old clothes and a painting shirt (adults button up shirt worn back to front works well or an adult t shirt) to keep in school during the week in a named carrier bag. We will be using acrylic paint which doesn't wash off clothes so please ensure that these are clothes that can get messy! We would also be grateful of donations of newspapers to cover the tables.

Thank you for your support.
