

## Barum Class - Home learning week 2

This week we have:

- Read The Squirrels Who Squabbled and discussed our learning power focus "Working Together"
- Played some games in PE to practice teamwork! **\*For PE - please only send your child in trainers with Velcro, unless they can tie their own laces\***
- Had a go at some challenges where we needed to share and work as a team.
- Written our own "Hopes and Dreams" to add to our Tree of Hope- check the Barum Class blog!
- Made our own mini character for our English learning, introduced our characters to each other and explored lots of small world play with them.
- Written a sentence to introduce our character and what they like to do.
- Thought about what an adventure is and drawn a story board of an adventure we've had.
- Worked on estimation and adding three numbers together in maths.
- Finished off our dream catchers and imagination art work from last week 😊

### **Home learning:**

Discuss how you work together at home. This might be how you share with your sibling/s or how you do things as a whole family. Do you do any sports where you have to work together?

**Reading:** your child has been given a new reading book to practise reading at home. Please return this by **Friday**, when books will be swapped.
