

## Lundy Home Learning - 30/4/21

We had a great time with The Past Presents workshops on Monday. I hope the children came home and told you all about it, if not then please ask them to tell you about the fun they had and the things they learnt. There are photos on the class blog. We are grateful to the PTFA for funding the day.

### Home learning:

#### **Reading**

Please continue to read as much as you can both to yourself and out loud to an adult, to practise your fluency and expression!

#### **Topic**

Find out about Stonehenge using this [website](#).

Build a miniature 3D model of Stonehenge

- you can use any materials that you want to
- you will have 2 weeks to complete this task
- add labels of key information to your model

Please bring your model into school and put in the hall on Friday 14<sup>th</sup> May, where we will put it into quarantine for 72 hours.

#### **Times tables**

Please practise all of your times tables as much as you can to support your maths.
