School
cap £4!

Friday 29th June 2018

Dear Parents/carers,

The children had fun joining their new classes this morning. They spent time getting to know their new group of friends as well as the teachers and TAs. We are all excited about starting a new school year together after the holidays.

Sports Day: Thank you for joining us for our sports day on Tuesday. What a scorcher! The children all did incredibly well and supported each other throughout. Very well done to Lundy Family group who were the overall winners! Next year we plan to have a separate Key stage 1 and 2 sports day as we feel this may work better. Many thanks to the parents for organising the cream teas and to Jacqui and Cheryl for baking the scones!

Art Trek and Open afternoon - Thursday 12th July 2.30pm

This year we invite you to our Art Trek, see attached poster. The school council have organised their fund raising stalls for the same day. We hope that you can come along and help us raise money for 'Children of the Dump'

Ridiculous Rhyme show and work shop: We have been able to go ahead with this show, please note, this is the planned activity for all children in the afternoon (apart from bikeability and surf club) unfortunately some children thought there was an option not to attend. We are sure that it will be a great experience as it has been very popular already in many primary schools. For more info visit: www.laughnlearn.co.uk/workshop

Attendance-revised term dates 2018/19

Governors have been discussing attendance and considering holidays being taken in school time. In light of this they have decided to re arrange the holiday dates for 2018/19 this will mean that children will have an additional week off school in June= 3rd -7th (the days are made up in July) This will allow you the chance to take a cheaper holiday without reducing attendance figures. We realise this won't work out for families with children in different schools but hope that it will be considered a positive option for the vast majority. Holiday dates will be confirmed shortly.

Great news

The Governors have decided to continue to provide our after school 'Cabin Club' Thank you for helping to make this a success and for supporting us during the set up period.

Fund Raising for School and Pre-school

As you may be aware we are trying to create a space for our pre-school children to move to the school site. We are not eligible for any funding towards this and would welcome ideas from both school and pre-school families that will help us to raise large funds towards from September. If you are able to help in any way please let us know... ideas currently: Auction of promises, Barn dance/hog roast, sponsorship with the children, 100 club...

PTFA

We are looking forward to seeing you on Friday evening for our annual summer fayre!
