

We had a great time with The Past Presents workshops all day on Monday. We hope the children came home and told you all about it, if not then please ask them to tell you about the fun they had and the things they learnt. There are photos on the class blog. We are grateful to the PTFA for funding the day.

Homelearning:

Find out about Stonehenge using the website below:

Build a miniature 3D model of Stonehenge

- you can use any materials that you want to
- you will have 2 weeks to complete this task
- add labels of key information to your model

Please bring your model into school and put in the hall on Friday 14th May, where we will put it into quarantine for 72 hours.

Read to an adult 4 times over the week.
